DOWNTOWN FARGO STREET LIGHT GALLERY

Please, enjoy this public gallery. Throughout our beautiful downtown you can find 32 original student works crafted within the Renaissance Hall in downtown Fargo.

This gallery is an exhibition of upcoming local artists and a celebration of our local artistic community.

Read more about the project at downtownfargo.com.

The project was made possible thanks to the ND Council for the Arts, SoDAA, Architecture & Art, the Downtown Fargo BID, The City of Fargo - Government, and Downtown Fargo.

Special thanks to SoDAA Director Michael Strand and Assistant Professor Andrew David Stark for supporting this partnership that we hope continues into the future. Thanks to visual artist and SoDAA student Carlos Roybal for spearheading this celebration and expression of joy from our creative community downtown.

About the Downtown Community Partnership

We're a 501C6 Non-Profit in North Dakota and the purpose of the Downtown Community Partnership (DCP) is to serve our community through Advocacy, People, and Events. DCP is a strong advocate for businesses, residents, and community partners focused on economic growth, vibrancy, and advocacy of Downtown Fargo.

About Downtown Community Partnership Business Improvement District (BID)

The Downtown Community Partnership Business Improvement District (BID) is the first business improvement district in North Dakota and has been striving towards its mission since 2012. The BID works to improve and enhance the overall attractiveness and appeal of Downtown Fargo. This is done by making sure downtown is clean, safe, maintained and properly promoted.
